EUCLID CHEMICAL

VERSASPEED LS100

A versatile, single-component, rapid strength gaining repair mortar for horizontal, and form and pour repair projects.

- Rapid strength gain with extended working time
- Suitable for interior or exterior applications
- Open to light duty traffic as soon as 4 hours
- Coat with epoxy after 5 hours at 70° F

LS100 \$39⁰⁰ Bag

INCRETE UNI-STRIPP

Can remove difficult coatings such as two-component epoxy or urethane sealers from concrete surfaces. INCRETE UNI-STRIPP is also very effective on mastic adhesives and glues.

- Citrus scented
- Can remove multiple layers
- Can be cleaned with water
- Thick enough to use on vertical surfaces

1 Gallon \$80⁰⁰

5 Gallon \$365⁰⁰
